

Dear Riverley Families,

Friday 10 May 2024

**GST Challenge 26: Riverley’s Sponsored Walk**

One of our Proud Traditions in the Griffin Schools Trust is our Challenge 26 through the month of May. In 2017 Ange Tyler, one of our co-founders, ran the London Marathon. Inspired by the 26.2 miles of the Marathon, Challenge 26 was established with a dual focus of encouraging our students to take on an active challenge as well as fundraise for a good cause. This year and across the trust, we will be raising money for *Cancer Research UK*: the world's leading independent cancer charity dedicated to saving lives through research, influence and information.

We are excited to announce our **Fancy Dress Sponsored Walk taking place around our local area on Friday 24 May 2024**. Our aim is to raise funds for both the school and the charity, Cancer Research UK, through sponsorships and donations during the event. We warmly invite our families to join us for this fun-filled activity! If you'd like to participate, please inform your class teacher. We will gather at the front of the school before beginning our journey which will take us anticlockwise as indicated on the map. Fancy dress, of any kind, is optional. Families and children are welcome to dress up however you like to catch the attention of our local community.

There are exciting prizes up for grabs including the chance to pie a teacher! Any child who makes a donation will have their name entered into a draw for the opportunity to pie a teacher – all in good fun for a charitable cause! Please see below timings for each year group’s departure time. Please note that Nursery Families are welcome to join us, however, the Nursery's Sponsored Walk will take place within the school premises. If any Nursery PM families would like to join, please do! We just ask that you come into school with your child to support us at the time below.
