SPANISH DAY  
PAGES 2

Dear Riverley Families,

Hola and welcome to our Spanish Day newsletter, celebrating all the wonderful things that were shared.

The Spanish culture was embraced with much appreciation across the school from Flamenco dancing to tasting scrumptious salsa. Dressed in rojo and amarillo, Riverley dedicated a day to immersing ourselves in a variety of activities that brought the vibrant culture of Spain to life.

A huge 'gracias' to Dance Days who led workshops over the course of the day and inspired our children to show creativity and flair as their learned Flamenco dancing.

If you would like to see all the fun in action, click the link below which will take you to our Riverley Youtube channel:
