

**Dear Riverley Families,**

I hope you are all well as I share our weekly update with you.

**School Photos (Monday and Tuesday 26 and 27 February)**

The children will be having their photos taken on Monday and Tuesday so we kindly ask that they come dressed in full uniform and wearing their brightest smiles! Year 6 that means, blazers and ties.

**Founders Day (Friday 1 March)**

Founders Day will take place on Friday 1 March. We are inviting children to dress in their cultural dress or their party wear on the day. We kindly ask for £1 donations and all money raised will go to Place2Be.

Families, we invite you all to join with your child at **09:00** to engage in an Art activity and have some tea and cake. The art work that we create will contribute towards a large scale display that will be placed in our school foyer so we would love for as many of you to be involved in the creation as possible. **(Year 1 activity will take place at a later stage due to a school trip)**

**Science week – exciting opportunity for families to attend UCL – Tuesday 19 March (after-school)**

We are very much looking forward to a wide range of activities for Science week. We will be hosting an evening of Science at **UCL Stratford** on **Tuesday 19 March**. Some of our pupils' work from Science week will be on display and there will be a range of engaging workshops for pupils and families to participate in. We do hope that many of you will take up this opportunity. More information to follow soon.

**Year 4 Poetry success**

Some of our wonderful poets in Year 4 found out this week that the poems that they entered into the Young Writers competition have **all** been chosen for publication in a book entitled 'Once Upon a Dream – Immersed in Verse' which will be published on 19 April. Huge congratulations to all of our pupils and a big thank you goes to Ms Maggie for ensuring the children's work was incredibly imaginative and creative.

Wishing you all a fantastic weekend.

**Ms Reilly,**  
**Head of School**
