

Dear Riverley Families,

I hope you are all well as I share my weekly update with you.

World Book Day

As you know, we will be celebrating World Book Day on **Thursday 7 March** where pupils are invited to dress up as their favourite book character. Please feel free to send your child in wearing comfortable clothing and a copy of their favourite book - should you wish. We are very aware of how expensive costumes can be and the most important aspect of the day is to promote a love of Reading. Our theme this year is tea-time tales - where we will brew stories and adventures. We would love for you to come and join your child in class at 09:00 to read with them.

Griffin Science Symposium 2024

We are very much looking forward to our fortnight of Science beginning on Monday 4 March and exploring this year's themes of energy and time. Thank you to those of who have expressed interest in celebrating an evening of Science with us at UCL East on 19 March.

A big thank you to Ms Price, Ms Stannage and the Science Ambassadors for all of their preparation and planning ensuring that all pupils widen their Scientific horizons and that this Proud Tradition continues to grow, year on year.

Family Consultations- book via Magic Booking (Reception to Year 6)

Family Consultations will take place on the following days:

Wednesday 13 March 2024 from 15:40 – 19:00

Thursday 14 March 2024 from 15:40 – 18:00

Thank you to those of you who have already made your booking for the consultation. If you have not already done so, please log on to the magic booking website; you will find your child's name under the 'Book an activity' section. There you will see the two dates available along with the time slots. Follow the steps to book your preferred time slot. If you require a virtual meeting, please speak to your child's class teacher. And, as always, if you have any issues, please contact the school office and they will be happy to assist you in booking an appointment.

Please note that **after school activity clubs will not run on both of these days**, however tea time club will operate as normal.

Wishing you all a fantastic weekend.

Ms Reilly,
Head of School
