

**Dear Riverley Families,**

I hope you are all well.

**One amazing Riverley family**

This week, I have been reflecting on what a busy school we have with a full calendar of Proud Traditions that span the year-wide. This half-term in particular, we have had: Founders Day, World Book Day, our Science Symposium and a whole load of trips and activities in between.

I am honestly humbled when I see so many of you get involved in all of the festivities and be so willing to give up your precious time to go on trips, and workshops time and time again. The trips, the events – none of it would be possible without your unwavering support - so a big thank you to you all.

As a way of expressing our gratitude to you all, we put on events such as Family Fitness and a range of adult workshops. Our aim is for us all to work together as one, yes - to support our children, but also to support each other.

If you have any suggestions on what more we can do to support you - our families, please do let me know or add your suggestions to the end of the feedback link below.

**Family Consultations**

It was lovely to see so many of you at our recent Family Consultations and update you on all of the progress your child has made. If you have not been able to attend, your child's class teacher will be in touch soon to arrange a meeting or phone consultation. We value and act upon family feedback so we kindly ask that you complete this short family feedback survey regarding your overall experience of Riverley (follow the link or scan the QR code)

**Neurodiversity week 18– 24 March**

Neurodiversity week celebrates the unique strengths and perspectives of Neurodivergent thinkers, including those with ADHD, autism, dyslexia, and dyspraxia. By fostering understanding and appreciation for neurodiversity, we ensure to unlock all students' full potential and empower them to thrive in the classroom. There is a wide range of resources available to families on this website:

<https://www.neurodiversityweek.com/resource-hub>

Remember, if you would like to speak to the SENDCo, Ms Thornton, at any time, please feel free to contact the office to make an appointment. Ms Boussetta, is also a trained SENDCo and happy to assist.

**An evening of Poetry – Thursday 22 March**

We look forward to welcoming you to our evening of poetry on Thursday 21 March in the Hall at 15:40. Please do speak to Ms Fletcher or contact the school office if you would like to perform a piece of poetry!

Have a lovely weekend.

Ms Reilly

Head of School
