

Dear Riverley Families,

I hope you are all well.

Science at UCL

This year's Science Symposium spanned over a two-and-a-half-week period and culminated with a wonderful event at UCL where pupils, with their families, engaged in a 'Night of Science.' A big thank you to Yanlan, one of our wonderful parents, for working with this to secure this partnership with UCL East.

Delivering an innovative STEM education is a key priority for us at Riverley, as is instilling high ambitions amongst our pupils both of which I think we will agree comes through from the images below.

No activity clubs and end of term

Activity clubs have now ended for the Spring Term. A new range of clubs will be on offer to your child very soon through Magic Booking and the Summer Term Clubs will commence on week beginning 29 April. School ends at **2pm on Thursday 28 March for all pupils.** (Remember tea-time club does not operate on this day.)

Wishing you a fantastic weekend.

Ms Reilly
Head of School
