

Dear Riverley Families,

I hope you are all well.

UCL engagement Project – showcase Friday 14 June – all invited.

Our pupils are thoroughly enjoying learning and creating corals and brain models as part of the Science and Art UCL East School Engagement programme. (see image below.)

The project will culminate with an exhibition in UCL East on Friday 14 June from 16:00 onwards and we would love for as many of you to attend as possible. The aim will be to take attendees through the same journey the children have been through and also showcase the physical and digital models the children have designed and made. More specific details will follow soon.

Brain modelling with clay

Multiplication Times Tables Test – Year 4 Pupils

Year 4 will be taking part in the statutory Multiplication Tables Check between Monday 3 June - Friday 21 June. Year 4 have been practising their times tables up to 12 since the beginning of the academic year and have shown great confidence and progress in answering questions in under 6 seconds. Children can also practise at home using Times Tables Rock Stars or Hit the Button.

We would like to invite you to discuss the Multiplication Tables Check on Monday 20 May at 15.40. This meeting will take place in Everest Class and we look forward to seeing you then.

Hackney Marshes Free Family Event 18 and 19 May

Hackney moves are hosting a free family event in Hackney Marshes on 18 and 19 May. They promise to put an extraordinary weekend of Sport, Culture and Celebration. For more information scan the QR code below or visit www.hackneymoves.com

Wishing you all a fantastic weekend.

Ms Reilly
Head of School
